### Speaker Biographies

---

#### **Rupert Wall**

Rupert Wall is a Structured Finance partner in Weil's London office whose practice involves advising arrangers, originators and investors on all aspects of securitization, structured finance and derivatives as well as advising counterparties in relation to general capital markets issuances, leveraged finance transactions and portfolio sales. He is particularly active in the CLO market and currently acts for a number of CLO arrangers, investment managers and investors structuring European CLOs.

Rupert is recognized in legal directories as "one of the brightest young partners in the market" and as "responsive, commercially minded" with "considerable experience and talent". He is recognized as a Leading Individual for Securitization and recommended for Derivatives & Structured Products. He is also the author of a number of academic and commercial guides to Securitization including the England & Wales chapter to the International Comparative Legal Guide to Securitization and the Practical Law (PLC) Q&A Guide to Structured Lending and Securitization in England & Wales. Rupert has an MA (Cantab) in Law from Downing College, Cambridge University.

#### **Vladimir Maly**

Vladimir Maly is a partner in the Corporate Department in the London office of Latham & Watkins focusing on regulatory and transactional advice relating to the use of derivative instruments in cross-border financing and corporate transactions. He specialises in particular in advising banking and investment management clients in relation to a wide range of financial products, including equities, funds, fixed income and commodities. Relevant experience includes advising clients in connection with the regulatory change with respect to the secondary markets, custody services and clearing.

Mr. Maly is a member of the ISDA Financial Law Reform Committee.

#### **Michael Smith**

Michael Smith is a Partner in the international finance department in London and a member of the securities and derivatives group. He specialises in structured finance and securitisation. He has advised on several innovative structured finance transactions including numerous CDOs and CLOs acting primarily for collateral managers and numerous credit funds (regulated and unregulated).

#### **Colin Atkins**

Colin Atkins is a Managing Director and Head of European Structured Credit. His previous role was Head of Credit for the European Leveraged Finance business. He is based in London. Mr. Atkins joined as a Director in November 2004 at the inception of the business and has been actively involved in the credit analysis, trading, portfolio management and marketing of the suite of CLO, low levered, market value and synthetic funds that have been managed by the European Structured Credit team. His previous role was at Prudential M&G where he helped establish Prudential M&G's Leveraged Finance Platform. Mr. Atkins holds a B.A (Hons) in Accounting & Finance from Nottingham Trent University, is a member of the Association of Chartered Management Accountants (ACMA) and is a CFA Charterholder.
